Terms of Sale

1. This is a public auction sale conducted by licensed and bonded auctioneers in accordance with the requirements of the Department of Consumer Affairs of the City of New York. The licensed Auctioneer is MARK GOLDBERG, license number B27113.

2. The Auctioneer, and cataloguer, Superior Galleries, (SUPERIOR) reserves the right to include its own material in any auction sale. The Auctioneer, and cataloguer, SUPERIOR, may have direct or indirect interest in these, or other items, and may collect a minimum price in addition to the selling commission. This paragraph shall be deemed a part of the description of all lots contained in the catalogue. Consignors or their agents may be permitted to bid on their own lots in the sale pursuant to separate agreement with SUPERIOR GALLERIES, and may receive a rebate commission in whole or part if successful. The Auctioneer may make loans or advances to Consignors and/or prospective purchasers.

3. The Auctioneer, and the cataloguer, SUPERIOR, may bid for its own account at any auction and may have access to information concerning the lots and items contained in them that is not otherwise available to the public. Estimates contained in the catalogue represent the cataloguer's estimate of the wholesale dealer-to-dealer price that might be obtained based on the experience and comparable sales. SUPERIOR has provided estimates for the convenience of bidders. The price ranges quoted are SUPERIOR'S conservative estimates of the trading level of the items on a wholesale level, and are based on comparable auction sales where available or applicable, or other dealer-to-dealer transactions of which SUPERIOR is aware. The actual price realized may be higher, or lower, or the same as the estimate. All lots carry a reserve, a confidential price below which the Auctioneer will not sell an item. In compliance with the requirements of the Department of Consumer Affairs, no reserve exceeds the high end of an estimate.

4. The Auctioneer may open the bidding on any lot by placing a bid on behalf of the seller. The Auctioneer may bid further on behalf of the seller up to the amount of the reserve, by placing successive or consecutive bids for any lot, or by placing bids in response to other bidders. The Auctioneer may accept or decline any bid, or challenge to any bid, as he in his sole discretion shall determine.

5. This catalogue contains the property of multiple Consignors, and may include consignments from SUPERIOR, its principals, or related companies.

6. A Buyer's Commission of ten percent (10%) on each individual lot will be added to all purchases made by all bidders except Consignors, regardless of bidder's affiliation with any group or organization, and will be based upon the total amount of the final bid. THE BUYER'S COMMISSION WILL BE ADDED TO ALL INVOICES except for reacquisitions by Consignors in which case a reacquisition charge may apply.

7. All material shall be sold in separate lots to the highest bidder. If any dispute arises during or immediately after the sale of a lot, the Auctioneer shall have the right to rescind the lot sale and put it up for sale again. In all cases, Auctioneer's decision shall be final. For the mail bidder's protection, no ''unlimited'' or ''buy'' bids will be accepted.

B. Auction sales are strictly cash in U.S. funds payable through a bank in the United States. On any cash transaction exceeding $10,000, Treasury Form B300 will be filed. Lots must be paid for upon the sooner of receipt of invoice or delivery. NO CREDIT CARD PURCHASES WILL BE ACCEPTED. Bids will not be accepted from those persons under eighteen (18) years of age without a parent's written consent which acknowledges the terms and conditions of sale herein.

9. By bidding in this sale, bidder personally guarantees payment. If a corporation is bidder, the officers and / or principals of the corporation agree to personally guarantee payment.

10. By bidding in this sale, the bidder certifies to the Auctioneer and cataloguer, SUPERIOR, that they are not seeking to acquire the lots for personal, family or household purposes, and if a corporation, that the purchase is in the ordinary course of business and is approved by the Board of Directors.

11. In order to be eligible to bid in this sale, all bidders must first register with SUPERIOR and execute such forms as may be required and acknowledge that they have received a copy of the catalogue which will form a part of the invoice of any successful bidder. Together with other papers issued to successful bidders, it shall acknowledge that they have received a copy of the catalogue and that, if successful, they will deem the invoice describing a lot by number to incorporate the catalogue by reference.

12. Floor bidders and mail bidders who have not established credit with SUPERIOR must furnish satisfactory credit references or deposit at least twenty-five percent (25%) of their total bids for that session(s) or such other amounts as SUPERIOR may require before such bids will be accepted. Deposits submitted will be applied to purchases and any unused portion of such deposit will be promptly refunded.

13. Bids must be for an entire lot and each lot constitutes a separate sale. No lot will be broken up. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise.

14. This is not an approval sale. All lots sold to the highest bidder as determined by Auctioneer are final. Floor bidders are encouraged to carefully examine all lots which they are interested in purchasing since NO LOT PURCHASED BY A FLOOR BIDDER MAY BE RETURNED, including those lots where the bidder is acting as agent for another, or to mail bidders who have examined the lot.

15.
a. All items offered in this catalogue are guaranteed to be genuine. Claims to the contrary must be made in writing within ten (10) days after receipt of material.
b. No lot may be returned without prior written consent of SUPERIOR.
c. Questions regarding the minting of a coin as a proof or as a business strike relate to the method of manufacture and not to authenticity.
d. If a lot is to be returned, it must be housed in its original, sealed and unopened container.
e. Late remittance constitutes just cause for revocation of all return privileges for any reason.
f. In no event may any lot be returned after thirty (30) days from the date of the sale.
g. SUPERIOR shall not be bound by any prior, or subsequent opinion, determination or certification by any grading service and such lots are sold under the condition that any claims to the contrary regarding grading, authenticity or methods of manufacture must be made in writing within ten (10) days of receipt of material. The descriptions contained herein represent the cataloguer's opinion or the opinion of a Grading Service where indicated as to the state of preservation and strike. No warranty, whether express or implied, including a warranty of merchantability is made with respect to any grading description which is an opinion only that is likely to differ, even among experts.

16. Auctioneer reserves the right to open the lot at a reasonable price and to withdraw any lot at any time. No buyer or prospective bidder shall have a right to any consequential damages if a lot is withdrawn.

17. When identical bids are received by SUPERIOR for a lot, preference is given to the first bid received. A mail bid will take precedence over an identical floor bid; a floor bidder must bid higher than the highest mail bid to be awarded any lot. Auctioneer reserves the right to refuse any bid, and to determine the prevailing bid, at his sole discretion.

18. Auctioneer cannot be responsible for errors in bidding. Please make certain that you bid on the correct lot and that your bid is the maximum (plus the ten percent (10%) Buyer's Commission) that you are willing and able to pay. Because other bidders (by mail and in person) are present, and because a re-offering could damage the momentum of the sale, once the hammer has fallen and the Auctioneer announces the winning bidder, such bidder is unconditionally bound to pay for the lot.

19. Sales tax, if required by law to be collected, postage and insurance plus the ten percent (10%) Buyer's Commission, will be added to the invoice for any lot(s) that is invoiced to successful bidders. Bidders wishing to PICK UP their lots must provide SUPERIOR with their New York RESALE CERTIFICATES or New York State issued Out-of-State RESALE PERMIT (OSR PERMIT) or pay local sales tax at the rate of 8.25% or applicable local rates. This applies equally to dealers from the United States, and abroad. NEW YORK State law requires that sales tax be imposed if a resale certificate or OSR premit is not on file with SUPERIOR and the lots are picked up in New York or shipped to a New York address. SUPERIOR can assist you in obtaining an OSR permit if you notify us prior to the sale. On any tax not paid by purchaser which should have been paid, even if not collected by SUPERIOR GALLERIES by mistake, error, negligence or gross negligence, purchaser agrees to pay the same on demand together with interest or penalty that may be assessed. Purchaser grants to SUPERIOR the right to offset any sums due, or found to be due, under these terms of sale, or any sums due purchaser by SUPERIOR, and to make such offset from any past, subsequent or future consignment, or items acquired by purchaser in possession or control of SUPERIOR, or any sums due purchaser by SUPERIOR, and further grants SUPERIOR a purchase money security interest in such items to the extent applicable. Purchaser agrees that SUPERIOR shall be a secured party with respect to items of purchaser in possession of SUPERIOR to the extent of the maximum indebtedness, plus all accrued expenses, until the indebtedness is paid. Purchaser grants SUPERIOR the right to file a purchase money security interest on such items without need for debtor's signature.

20. On items for which there is a published RESERVE, the Auctioneer will not bid on behalf of the Consignor or SUPERIOR after the reserve is reached, and the Auctioneer will thereupon accept bids only from persons other than the Consignor or auction house (except for mail bids, telephone bids, order bids or other agents bids, or other individuals bidding in the room) in accordance with the Regulations issued by the Department of Consumer Affairs of the City of New York. SUPERIOR STAMP & COIN CO., INC. reserves the right to bid for its clients or own account for eventual resale on any lot. If a RESERVE is place on any lot, in no event will the reserve exceed the maximum estimated value of the lot as published in the catalogue.

21. In accordance with Regulation 24 of the Department of Consumer Affairs of the City of New York, in the event of a successful challenge to the title to any goods purchased, the Auctioneer agrees to reimburse any purchaser in an amount equal to the successful bid at auction plus any buyer's commission paid, in the event that it is determined that the purchaser has not acquired transferable title to the lot. By bidding in the sale, bidder expressly consents to waive any claim for consequential damages, or incidental damages, against the Auctioneer or cataloguer, SUPERIOR, arising out of, or in connection with, the sale or proposed sale of any lot. Unless required otherwise by law or regulation, no third party shall be entitled to rely on any benefit or right conferred by these terms and conditions of sale on any bidder or purchaser.

22. Title to any lot remains with CONSIGNOR, any secured party of the Consignor, or Consignor's assigns, until the lot paid is paid for in full. SUPERIOR reserves the right to require payment in full before delivering any lot to the successful bidder. It is the buyer's responsibility and obligation to have the lots fully insured while in his/her possession. Risk of loss is on the buyer.

23. In the event a successful bidder fails to make payment when due, SUPERIOR reserves the right to resell the merchandise and bidder agrees to pay for the reasonable cost of such a sale and also to pay any difference between the resale price and the previously successful bid, together with any incidential costs of sale and disbursements.

24. Buyer agrees that any claim or controversy arising out of, or relating to the formation, interpretation or performance of these terms and underlying transactions or the breach thereof, is subject to binding arbitration in accordance with the rules of the Professional Numismatists Guild, Inc., except for any claim or controversy arising out of non-payment which may be referred to judicial proceedings at the option of SUPERIOR. Arbitration or judicial proceedings shall take place within the County of Los Angeles subject to the laws of the State of California.

25. If the auction invoice is not paid for in full when due per invoice terms, the unpaid balance will bear interest at the highest rate permitted by law until it is paid. In the event it exceeds the sum permitted by error, the same shall be adjusted to the maximum legal rate. If the matter is referred to an attorney for collection, bidder agrees to pay all reasonable attorney fees, court costs and other collection costs incurred by SUPERIOR to collect past due invoices and that the services of process by certified or registered mail, return receipt requested, shall be sufficient to confer "in personam" jurisdiction over bidder. Any returned checks will be assessed a $25.00 charge plus any late remittance fees which may be applicable.

26. All photographs in this catalogue are of the actual coins, medals or currency being sold but may not be actual size.

27. SUPERIOR reserves the right to postpone the auction sale or any session thereof for a reasonable period of time.

28. Neither SUPERIOR nor the Auctioneer shall be responsible for incidental or consequential damages arising out of any failure of the terms and conditions of the auction and sale or the conduct thereof and in no event shall liability for any such failure exceed the purchase price paid.

29. Bidding in this sale constitutes acceptance by the bidder of all the foregoing terms and conditions of sale.

Grading is an art and not a science. The grades herein represent our opinion based on our experience. Therefore, it is possible that two people will not always grade the same item alike. Also, as market conditions change, grading standards change, and may continue to do so in the future. Your examination of the item(s) should be the criterion and not the grade represented by another. In any purchase or sale, the value of the item(s) is determined by the price.

Coins sealed in soft plastic holders are not intended for long term storage. We recommend that all coins be transferred into inert plastic holders.

A Buyer's Commission of ten (10%) on each individual lot will be added to all purchases made by all bidders and will be based upon the total amount of the final bid. Instructions for New Mail Bidders

If you have never used our mail bid system, here is an explanation. The procedure is quite simple. On the enclosed Mail Bid Form there is space provided for the lot number and the amount you are willing to bid. After carefully reading the description of the lot you wish to bid on, write down the lot number and the maximum amount you are willing to pay. For example, let us assume you are interested in bidding on Lot 1 and the maximum amount you are willing to bid is $350.00, your bid sheet should be as shown on the right.

The bid which you enter is the ''maximum amount'' or top price that you are willing to pay for a lot (unless you have checked one of the percentage increase boxes). However, there is always the possiblity that you may obtain the lot for less.

Before mailing, check your bid sheet for accuracy. Make certain that you bid on the correct lot and that your bid is the maximum you are willing to pay.

Bidding by mail permits you to participate in the auction as though you were in attendance. Many rarities are obtained through the medium of auctions and it can be a very exciting as well as a rewarding method of obtaining wonderful items for your collection. We look forward to you participating in our sales.

Important Notice

The following collection represents the most spectacular group of Russian Gold Medals ever sold in the United States.

Not since the legendary Michailovitch Sale of the 1950's have so many of these superb pieces been offered at any auction.

In addition to its size, this collection is notable for its condition. The consignor purchased especially choice and aesthetically pleasing medals which demonstrate the artistry of the Imperial Russians. Emperors and empresses from Peter the Great to Nicholas II are represented.

The collection contains over 120 gold medals in addition to more than 200 gold coins (offered previously in this sale), more than 200 silver coins and a number of medals struck in bronze or silver.

Some of the gold medals in this collection are official mint restrikes which were struck from original dies. These were struck later than they were dated but under strict mint supervision.

It is highly unlikely that a collection of this magnitude will ever be offered for sale again. Superior Galleries takes great pride in selling these pieces and urges all interested individuals to actively participate.
